Paella Contest in La Mata 2026

On Sunday, September 27, La Mata will hold its traditional paella contest with bouncy castles, music, foam party and DJ.

The activity will begin at 10:00 a.m. and will be accompanied by bouncy castles, music, foam party and DJ, in a day designed to share with family and friends.

The Paella Contest will be one of the most anticipated gastronomic moments of the Patron Saint Festivities of La Mata 2026. The activity will be held on Sunday, September 27 from 10:00 a.m., within a day dedicated to coexistence and the participation of neighbors and visitors.

During the morning, paellas will be the main protagonists in a festive and family atmosphere. The event will allow you to enjoy traditional cuisine, share a table with friends and family and experience one of the most popular traditions of the La Mata festivities.

In addition to the contest, the program includes bouncy castles, music, foam party and DJ, so the day will have activities for all ages and will be extended with entertainment proposals for a good part of the day.

The contest is part of the **programming of the Patron Saint Festivities in honor of the Virgen del Rosario**, which are held in La Mata from September 12 to October 7, 2026.
