The Paella Route 2026 in Torrevieja

Ten restaurants, ten rice dishes and a gastronomic route to savour Torrevieja from 13 to 18 October.

The Paella Route 2026 offers a rice dish with a drink for 9 euros. With three stamps of participating establishments you can enter the prize draw.

The Association of Hospitality Companies of Torrevieja and Region organizes the first edition of **The Paella Route – The Rice Route**, an invitation to tour Torrevieja and La Mata through ten different proposals. The event is held **from Tuesday 13 to Sunday 18 October 2026** and each establishment offers its rice with a drink included for **9 euros**.

The route allows you to choose between seafood recipes, rice dishes and combinations with vegetables and garden products. Each cuisine brings its own style, so that you can visit more than one place and compare flavours during the six days of the initiative.
